

Chad Allen to Star in Hartford TheaterWorks' *The Little Dog Laughed*

Dec 2007

Stage and screen actor Chad Allen will appear opposite Candy Buckley, Jeremy Jordan and Amanda Perez in the upcoming Hartford TheaterWorks staging of Douglas Carter Beane's comedy *The Little Dog Laughed*.

Rob Ruggiero (TheaterWorks' *Driving Miss Daisy*, *Ella*) will direct the Connecticut run, which is slated to begin previews Jan. 25, 2008, for a run through March 9. Audiences are warned: "The production contains nudity and strong language."

The Tony Award-nominated *The Little Dog Laughed* is billed by the Connecticut company as "a lacerating look at Hollywood morality." The story centers around "

Diane (Buckley) who is out to land her client Mitchell (Allen) the movie role of a lifetime by any means necessary. When Mitchell starts to fall for a male escort (Jordan) with a girlfriend (Perez), Diane's plans may unravel. Can she keep Mitchell in the closet long enough to land this make-or-break career move?"

Allen is known for his television turns on "St. Elsewhere," "Our House," "My Two Dads" and "Dr. Quinn: Medicine Woman." On stage he has appeared in *Biloxi Blues*, *Change at Babylon*, *Temporary Help* and the Los Angeles premiere of *Corpus Christi*. His film credits include "End of the Spear," "Downtown: A Street Tale," "Do You Wanna Know a Secret" and "Getting Out."

Buckley played on Broadway in *After the Fall*, *Thoroughly Modern Millie* and *Cabaret* and Off-Broadway in *Shockheaded Peter*, *Valhalla*, *Bernarda Alba*, *Mimi Le Duck* and Charles Busch's *The Lady in Question*.

The design team includes Adrian W. Jones (set), David R. Zyla (costumes), Thomas Dunn (lighting) and Zachary Williamson (sound).

Playwright Beane is currently represented on Broadway by the musical *Xanadu*, for which he penned the book. Other works include *As Bees in Honey Drown*, *Music From a Sparkling Planet*, *The Country Club* and the forthcoming *Dancing in the Dark*. His screenplays include "Advice From a Caterpillar" and "To Wong Foo, Thanks for Everything, Julie Newmar."

The 22nd season at TheaterWorks will continue with David Harrower's *Blackbird* (April 11-May 25, 2008), David Lindsay-Abaire's *Rabbit Hole* (June 20-Aug. 3, 2008) and Elyzabeth Gregory Wilder's *Gee's Bend* (Sept. 5-Oct. 19, 2008).

On July 2nd, it's a whole new west.

Behind-the-scenes production:

The director and star following the black again, for just wishful thinking. Unfortunately, the new push to build entertainment gimmicks, pale and stale story, the film deliberately to 007 the same story structure of the film in the style like to turn the clock back. The film will be advertised in science fiction novel into ancient Xibupan stunt, and the two of the transplant 007 spy adventure structure model, she arranged a large number of special props and weapons, big villain is a crazy Scientists ambitions; heroine is a beautiful vase dispensable, like early Bangdenu:lang; mark the end of the villain is a stronghold of the super power astonishing mechanical spiders, and then with her actor on the world to wrangle with each other. In addition, investigators Super Kelanen Kevin is a master makeup Yirong, a man started playing on the Women in a bar seduce the group VJ reckless, further highlights the essence of the game film and cartoon customs. Perhaps, the director simply just want to look at the audience scattered with a lively? China was formally introduced one of the many bad films.

Sunday (any given Sunday) is Oliver. Stone directed a campaign to reflect American football films. Obviously, in order to ensure the film at the box office, Oliver. Stone made a lot of compromise. Al Pacino playing the Miami Sharks head coach Tony Danza coached this team in the 30 years after facing a lot of problems. He old and began its inadequacies, the team members complained about his tactics too little, lack of flexibility. This season, the ninth in the four games, and he most trusted quarterback, the team captain was injured Jack can not game. Talented quarterback Willie Although the bench for the time being, he reversed the situation, but Willie s thinking and his alien. The team boss, the late owner s daughter Moxie (Cameron. Decorated Diaz) is concerned only about the team profitable, several of the ninth head coach of course, the market did not look good, even if her father is Tony his friends. Plot started very beautiful, most of the time used to display videos of various contradictions and conflicts and orderly

Tony used to honor his players that, Prepared Foods. Al Pacino in and Danmu. Fox in a rival show to go on the team made a wonderful speech, as in his Wenxiangshinu:ren and spokesmen for the devil in the same speech Highlights of the problem may be in the Oliver. Stone movie to see this in all seriousness, the moral advice I can not do not laugh. Fortunately, he also saved some of their own sites, not producers and investors have cornered all collapse. In the film, Oliver. Stone, as always, to expose a lot of the dark side: the players are money, sex, drugs surrounded life; doctor in order to meet the team bosses hide the true condition; bosses to the team as a bargaining chip City to the bargaining; even Tony rugby this campaign as the life of a prostitute for the plot which also won. Compared to the film stylized, happy endings, such as the eye-catching is the dark side to become a film-type model in the commercial never bow under the weight of the neck-bending into Fushoutieer of the final one centimeter . Into Minnesota, Sharks, a team was a big circle of the UEFA Cup final tickets. In the final 3 seconds Sharks, a team defeated opponents. Tony glorious withdrew the head coach of the throne. Willi no longer selfish domineering, accepted the Tony on the team concept. Shark Although injured, but do have won millions of dollars in bonuses. Moxie no longer think of selling the team, to serious business shark good team. An acceptable to all with a happy ending.

Leaving aside boring story, this film can still see more of, a large number of representative breakthrough, interdiction, the camera is like a touchdown moments of the Alliance Collection. Characterization of the films Athletic, Cameron. Diaz complex character who played the female boss is very exciting, very texture - I mean people are not alone. (Folded)
